## Call for Papers

We would like to invite you to contribute to the 10<sup>th</sup> edition of the International Conference on Advancements of Medicine and Health Care through Technology – MediTech 2026.

This 10<sup>th</sup> edition of the International Conference MediTech incorporates BME thematic areas with participation of researchers and professionals from Biomedical Engineering, Clinical Engineering, Medical Physics, Medicine, and other Healthcare professions.

The main goal of MediTech 2026 is to improve communication and encourage collaboration among all health care professionals through presentations and discussions on current challenges and new trends.

MediTech 2026 is addressed to all those interested in research and applications of biomedical engineering.

Peer-review accepted papers will be published in the MediTech 2026 proceedings in IFMBE Proceedings Series, indexed in SpringerLink and Scopus and will be submitted to the Web of Science (WoS) for evaluation and indexing.

The papers of this Proceedings volume present new developments in

- Medical Devices, Measurement, and Instrumentation
- Medical Imaging, Image and Signal Processing and Analysis
- Telemedicine and Health Care Information Systems
- Biomechanics, Robotics and Rehabilitation
- Clinical Engineering Assessment
- BME Miscellaneous topics

This conference edition will be organized in HYBRID mode.

Important dates:

- May 31, 2026 – Article submission
- July 15, 2026 – Notification of article acceptance (for presentation at the conference)
- July 31, 2026 - Submission of camera ready papers

Organizers:

- National Society for Medical Engineering and Biological Technology Romania
- Technical University of Cluj-Napoca
- University of Medicine and Pharmacy Iuliu Hatieganu, Cluj-Napoca

We are looking forward to receiving your submission and welcoming you to our conference.

On behalf of the organizing committee,  
Best regards,

Prof. Nicolae-Marius ROMAN  
MediTech 2026 General Chair
